Kneipp® works. Since 1891

Nature's Expert for Health and Well-Being

Since 1891, Kneipp has been manufacturing contemporary products for health and well-being. Botanical competence and pharmaceutical experience, state-of-art production technique as well as carefully conducted scientific checks answer for its quality which has been proven for generations.

Kneipp® Nature's Expert

- ✓ Skin Compatibility as shown through double testing results for efficacy and usage
 - ✓ Developed and tested in cooperation with dermatologist
 - ✓ Eco-friendly and resource-protecting company philosophy
 - ✓ Plant-derived active ingredients
- Kneipp's standpoint:**
- NO preservatives (e.g. Parabens)
 - NO colour
 - NO paraffin, silicone and mineral oils
 - NO animal-derived ingredients
 - No material with a high sensitization potential
